

See how your child is doing in school—anytime, anywhere! SHISHAY helps you stay on top of upcoming assignments, homework submissions, teacher announcements, and more. Now even the busiest moms and dads have a free, safe way to connect with their children's classrooms, on the go and on their schedule.

This app lets parents access wards information:

- See what homework is upcoming or overdue
- Get notified if school fee are pending
- Read and review teacher announcements
- View lesson, quiz, and event schedules
- Access photos, videos of all functions of the school
- Get dose of interesting activities to do with your children in the locality
- Plan for activities from the school's daily calendar .....etc etc

Leading schools in all major districts like below are already using SHISHAY & putting technology in parents hands to access all above wards information .

If you are a teacher or student, use this "SHISHAY" app, available in the Google Play Store. SHISHAY is the fastest-growing education network with technological tools to improve student's skills.

\* NOTE: - Content on the app is uploaded and managed by the respective school/institute.

\*\* Some functions, features or modules may not be fully displayed, depending on the availability and the purchase status of the school.
